Thank You !

For Christmas 2020

Blessings to all of those who offered care and support to our Koinonia family this Christmas. Even in their difficult situations, our teens had a great Christmas. We hope your hearts will be blessed as you share in their happiness and see the joy you brought to the hearts of our young people. From all of us at Koinonia Homes for Teens, Thank You!

Together, we change lives . . .

On Christmas morning, when it came to opening presents, I had a moment.

I had gotten everything I wanted!

I broke down: I didn't deserve anything that I got yet I received it all from such generous and caring people.

Christmas day was special for me because I got to see the joy and happiness on my peer's face as they opened up their presents. It made me grateful to be alive. I got to enjoy it with the other girls that I'm learning and growing with. I have never had a Christmas with so much joy and love like I have here.

Not only was it my first Koinonia Christmas, it was my first Christmas where I felt an intense amount of love, care, and acceptance towards me. My Christmas at Koinonia was the best one I could have ever asked for.

THANK YOU AND MERRY CHRISTMAS!

Thank You!

Thank you Angels in the Alley for everything. I really enjoyed having you guys on the Zoom meeting. My favorite was when I got the gift cards and participating in all of the activities. It was fun with the cupcakes and the gifts. Because it was a special memory with my new family. It brings that Christmas spirit. Teen - Emma

My Christmas experience was better than any I've had in the past. I was able to be with kind, loving people and it was great to be with people that enjoy opening presents as much as I do. I felt joy that stayed with me for a long time. I hadn't been that happy in a long time and very humbled to have received all those gifts. What a wonderful experience. Teen - Mariah
